**A CALL.**  
It is proposed by old line whigs of Franklin county, who have never acted with any other party, to hold a Convention in Winchester on the 16th inst., for the purpose of taking steps to preserve the identity of the party, and to consider the course which duty points out in the present party conflict. All such whigs are invited to attend.

**OLD LINE WHIGS.**  
M. & H. Nassauer have on hand a very superior assortment of Boots, fine Calf Shoes, fashionable Cloth Gaiters, and a neat lot of Hats and Caps, all of which are offered cheap.

" Westminster, July, "  
And Blackwood, July, "

**Subscription Prices.**—Blackwood or any one of the Reviews, \$3 a year. Blackwood and one Review—or any two Reviews, \$5. The four Reviews, \$8. Blackwood and the four Reviews, \$10.

Local items are scarce as hens' teeth. Notwithstanding this has been a busy week, and many people in town, nothing has "turned up." No "fusses" nor fights have occurred to mar the peace.

We have received Graham's Magazine for August. Graham's colored fashion plates are extremely rich and beautiful, and will be quite a treat for the ladies. The present number will sustain the character of this old monthly.

Watson & Co., are the proprietors now, having lately bought out the whole concern, and we feel gratified to see that there is every evidence of improvement in the merits of the work, although it has been for a long time at the head of monthly literature in our country. Terms \$3 per annum. One copy of the Appeal and one copy of Graham together \$3.25 per annum.

If one ounce of powdered gum tragacanth, in the white of six eggs, well-beaten, is applied to a window, it will prevent the rays of the sun from getting in.

For Fifty Cents we will send the Appeal to any new subscribers until after the election. Let us have the names.

There has been a crowd at Jourdan's all this week.

Circuit Court at this place is now in session. No important cases on docket.

Some of our very fair friends, have our very sincere thanks, for the very nice fruit sent us lately. It is consoling to know that we are not forgotten.

J. H. Knox, continues to sell cheap dry goods at Harris' corner. Give him a call.

**DIED.**—On Monday, July 28, JOHN ABEL, infant son of Thomas and Eliza C. Saulpaugh, aged nine months.

Fades the lovely blooming flower,  
Smiling solace of an hour—  
Soon our transient comforts fly:  
Pleasure only blooms to die.

Lovely babe! how brief thy stay!  
Short and hasty was thy day.  
Ending soon thy sojourn here,  
Pain or grief no more to bear.

Hard it is from thee to part,  
Though it rend my aching heart,  
Since an heir to glory's gone,  
Let the will of God be done.

Pillow'd on a Savior's breast  
Sweetly sleep, and softly rest;  
When the joyful summons come,  
Rise and soar to heav'n, your home.

**THE MAMMOTH CAVE.**—The Louisville Journal says Robert Bishop, the guide, and three visitors, whilst rambling in the Mammoth Cave, discovered an entirely unknown passage of some two miles in length. By this important discovery, the cave, already the largest in the world, is found to extend eleven miles instead of nine miles, as has hitherto been supposed.

## PARITY OF REASONING.

The Washington Union says that Mr. Dunn, of Indiana, is in favor of restoring the "Missouri Compromise," that he is a supporter of Millard Fillmore, and therefore Millard Fillmore is in favor of restoring the "Missouri Compromise."

We will test the Union's logic.

Barclay and Hickman, of Pennsylvania, voted for the admission of Kansas with the Topeka constitution. They support James Buchanan—therefore James Buchanan is in favor of the Topeka constitution.

Barclay and Hickman voted to expel Mr. Brooks, therefore James Buchanan was in favor of expelling Mr. Brooks.

Barclay made the motion to reconsider, after the rejection of the Topeka constitution—therefore Buchanan would have made the motion had he been in Congress.

J. Glancy Jones reported a petition to give free negroes the right of suffrage. He is a supporter of Buchanan—therefore Buchanan is in favor of giving the elective franchise to free negroes.

John Van Buren says the "freedom of the Territories has been established." He is a supporter of Buchanan—therefore Buchanan thinks "freedom of the Territories has been secured."

C. C. Camberling says "squatter sovereignty" will always secure "the freedom of the Territories." Mr. Camberling is a supporter of Buchanan—therefore Buchanan thinks squatter sovereignty "will secure the freedom of the Territories."

A. O. P. Nicholson is in favor of taking \$20,000 out of the treasury for extra compensation: A. O. P. Nicholson is a supporter of Buchanan—therefore Buchanan advocates Treasury plunder.

Captain Rynders is in favor of a system of Treasury plundering, he supports Buchanan—therefore Buchanan is in favor of a general system of plunder.

McDuffie, Gen. Pierce's Marshal for California, is a gambler and ballot box stuffer; he supports Buchanan—therefore Buchanan is a gambler and ballot-box stuffer.

Mr. Herbert has killed an Irishman, he supports Buchanan—therefore Buchanan is in favor of killing Irishmen.

How does the Union like its logic?—*American Organ.*

## More Withdrawals.

John F. Collins, James C. Collins, A. J. Collins, E. Springer, John O'Neal, Wm. McAllister, J. D. Treadway, E. F. Bitton, G. W. Mays, Michael Arvitt, W. D. Pricker, Wm. Johnson, and Randall Rhodes, have published letters in the Arkansas True American of the 5th inst., announcing their withdrawal from the so-called Democratic or foreign party, and their determination to go for Millard Fillmore.

There is a stampede among the Democracy of Arkansas.

If any one doubts this they can see these letters at this office.—*American Organ.*

One and a half cups of sugar, one of milk, two of flour, four tablespoonfuls of butter, one teaspoonful of cream tartar, one-half lb. of soda; the whites of three eggs, makes a very nice white cake.

**Graham's Magazine, Godley's Lady's Book, and Harper's Monthly.**—Having made arrangements with the Publishers we are enabled to make the following offer: For one copy of the Appeal and a copy of any one of the above excellent periodicals, one year, \$3 25. This is only twenty-five cents more than the regular subscription price of either of the magazines. Where are the ladies.

Everybody in town, and in the country, so far as it is known that Gildersleeve is in town, who has a watch or clock that is ever made to run, whether it is worn out or spoiled by travelling tinkers, is now having it made to keep time as well as when new. Every thing of the kind is warranted, and if it does not perform satisfactorily, it costs you nothing. So if you want to have your watches and clocks made to keep correct time, bring them right in, and we assure you, you will get the worth of your money. Mr. Gildersleeve wishes it understood that he is not a travelling watch-fixer, like many who start out from a gunsmith shop to pick the people's pockets by pretending to repair their watches and clocks, but a regular workman, having done a large portion of the work sent from here to Nashville lately, although not generally known to the people.

Neither would we forget those celebrated Brazilian Pebble Spectacles for sale by Mr. Gildersleeve. If you wish to preserve your eye and read with ease, throw away your common glasses and procure a pair of the Brazilians.
